Terms & Conditions

Payment due before delivery, The timeline starts from order confirmation by the customer, and it will be given an estimated day for delivery after design approval. In the concept design phase, the client has the option to add minor modifications to the design twice and once approved no further modification is allowed. These Revisions might impact the delivery date. We quality check every order for errors before it is sent to the customer to assure we haven't missed anything, If your 3D Model arrives and you notice any quality issues, product errors, or order mistakes, let us know within 5 business days of delivery. Email Info@3dplus.sa to alert us of any issue. If it is our fault, we will take full responsibility and will refund or replace your goods. The information contained or referred to in the Quotation documents is confidential and must not be disclosed or released for any other use or purpose.
